"L'autore Deborah Carpenter (Tyngsborough, MA) is a writer and educator specializing in parenting, education, child development, children's health and safety, and family life issues. Ms. Carpenter is a member of the American Society of Journalists and Authors, and her work has appeared in numerous national publications including Parenting and Woman's Day. Prior to becoming a freelancer, Ms. Carpenter spent fifteen years working in the field of education. Most recently, Ms. Carpenter was an administrator (dean of students/assistant principal) at a K-12 school, where she dealt with bullying issues on a regular basis. She holds a master's degree in community social psychology and a bachelor's degree in psychology."

dealing with critical parents in adulthood nerdy creator

May 25th, 2020 - 3 change yourself instead of trying to change your parents it s very tempting for us to fix our parents especially if you are an infj too and have a tendency to help others but don t do that from experience it rarely works when you try to change your parents you are giving out the energy that they are at fault and they need to do something about it
