Rance Crawford is an alpaca rancher, fiber mill
owner, and self-proclaimed grumpy bastard. When
sweet, charming tenderfoot Ben McCutcheon moves
onto Crawford's rural road, Rance is very aware
that Ben makes it a grand total of two gay men in
their tiny town, and even though he is instantly,
painfully smitten, any move he makes could be
simply chalked up to being hard up. Using his best
weapon and favorite skill, Crawford launches an
awkward, wordless effort to make sure Ben is kept
warm during the cold Colorado winter, every last
piece of him - especially his heart..
