"Klappentext A fascinating interpretation of how the body functions to maintain good health and addresses all kinds of ailments with specific nutritional approaches. A pioneering nutrition classic. Über den Autor und weitere Mitwirkende **Henry G. Bieler, MD**, studied medicine at the University of Cincinnati, where he came under the lifelong influence of Dr. Martin Fischer, the great physiologist and philosopher. For more than 50 years Dr. Bieler treated great motion-picture stars, coal miners, politicians and professional men, farmers and Pasadena dowagers. He brought thousands of healthy babies into the world,

including his own children and grandchildren. He died in October 1975. Alle Produktbeschreibungen".
