"Pressestimmen Praise for the First Edition: "There is a plethora of policy books on the market, but none illustrate the steps in the policy process better than this one. The high caliber editors and contributors, all of whom have been involved in policy work, bring years of experience to illustrate the key points...This outstanding resource will help motivate many more nurses to get involved in the policy process...Score: 93 - 4 Stars!" - Doody's Medical Reviews".
