"L'autore Dean W. Blinn received his BA degree in Biology at Simpson College, Indianola, IA, his MS in botany at the University of Montana in Missoula, MT and PhD in Botany at the University of British Columbia in Vancouver, BC, Canada. In 1971 he joined the faculty in the Department of Biological Sciences at Northern Arizona University, Flagstaff, AZ. Dr. Blinn taught courses in General Botany, Phycology, (algae), Limnology, Stream Ecology, and the Biology of Diatoms and directed research projects in aquatic ecology for many undergraduate and graduate students. He has published over 100 peer-reviewed articles in both national and international journals. Dr. Blinn received the Northern Arizona University Phi Kappa Phi Faculty Scholar Award, the President's Award and the Teaching Scholar Award and was named an Arizona Regents' Professor in 1996. Dr. Blinn retired in 2001 as an Arizona Regents' Professor Emeritus and continues to pursue studies on diatoms and aquatic ecology. Sandra L. Blinn received her BA degree in Elementary Education and Psychology at Simpson College in Indianola, IA and her MA degree in Elementary Education with an emphasis in reading at Northern Arizona University in Flagstaff, AZ. She taught fourth grade for 15 years and kindergarten for 6 years in the Flagstaff Unified School District in Flagstaff, AZ."
