Hanna est une scientifique surdouée de 24 ans, qui vient d'emménager à Manhattan pour poursuivre ses recherches. Mais New York a bien plus à lui offrir que des heures de travail solitaire... Pour s'amuser, sortir de sa routine, elle peut compter sur son grand frère, Jensen. Et surtout sur le meilleur ami de ce dernier, l'irrésistible Will, brillant financier et play-boy absolu. Le fruit défendu est à la portée de Hanna... Mais qui de l'élève innocente ou du séducteur invétéré tombera dans les bras de l'autre ?.
