"Reseña del editor (Piano Solo Songbook). Variety called composer Bear McCreary's score for the hit Syfy series Battlestar Galactica "the most innovative music on TV today," and NPR said it "fits the action so perfectly, it's almost devastating: (it's) a sci-fi score like no other." For this special collection, McCreary himself has translated the acclaimed orchestral score into fantastic solo piano arrangements at the intermediate to advanced level. Includes 19 selections in all, and as a bonus, simplified versions of "Roslin and Adama" and "Wander My Friends." Contains a note from McCreary, as well as a biography. A must for all BSG fans! "At last, fans can now be a part of the musical process themselves and experience the score as I first did: with fingertips touching the ivories." Composer Bear McCreary".
