Esta no es una sinopsis cualquiera, creo que Fran se merece algo diferente, igual que su historia, de modo que en vez de escribir una sinopsis al uso, voy a plasmar la opinión de una lectora que lo explica mucho mejor que yo. Firmado. María N.Mera. Aunque es una historia de amor entre adolescentes, está escrita desde un punto de vista maduro ya que Fran o Francesca para ser una adolescente es una persona muy madura y con unas ideas muy claras en su vida y para su futuro. Me ha encantado el tema de la historia y está tan bien escrita que en algunos momentos me he sentido inmersa dentro de ella y he llegado a sentir ese olor, sabor y color que tiene el vino. Me ha trasportado a los paisajes italianos y sus viñedos, a esas tardes de verano en familia, al contraste de colores y olores, en definitiva, terminas haciéndote participe de toda la historia y sintiéndote parte de esa familia. Asimismo, la autora ha sido capaz de proporcionar un giro inesperado al relato, para que una obra lineal se convierta en un devenir de acontecimientos donde la realidad y la ficción se entremezclan de manera muy interesante. Reseñas Blog, Cazadora de historias “Para todos aquellos que alguna vez hayan tenido que cambiar sus vidas drásticamente, abandonar su lugar de nacimiento para emprender una nueva vida lejos de él, para los que se enamoraron por primera vez y quieren recordar todos y cada uno de esos sentimientos... No dejéis pasar la oportunidad de leer esta novela. Blog Mi pequeño espacio romántico “Nada es lo que parece y la novela nos mantendrá con el misterio y la incertidumbre hasta el final de la misma. De hecho la novela está dividida en dos partes, dos vidas, ¿un amor?” Blog Secretos de una book lover “Es una historia con aroma a vid y sabor a añejo pero con mucha pasión” Blog, Páginas de Nieve ”Con una escritura sencilla y directa, la novela, que en un comienzo puede parecer dirigida a los más jóvenes, recordará al lector su primer amor y sus tempranos miedos ante los cambios. Un libro con páginas perfumadas, donde el vino, co-protagonista, llevará a una experiencia visual y olfativa”. New adult. Romántica. Contemporánea. Una historia de amor con un toque mágico..
