"Über den Autor und weitere Mitwirkende **Sir Ernest Henry Shackleton** was born in Ireland in 1874 and raised mostly in London. He led three expeditions to the Antarctic. He died of a heart attack in 1922 while setting out on his fourth expedition. **Frank Hurley** (1885?1962) was a native Australian who served as a photographer on several Antarctic expeditions with Sir Ernest Henry Shackleton. He also worked as a war photographer with the Australian military forces during both World Wars. He was the official photographer on Shackleton's Imperial Trans-Antarctic Expedition and was known for his pioneering use of the early Paget color photography process."

the legendary survival story of sir recoil offgrid

June 6th, 2020 - shackleton s plan to cross the frigid 1 800 mile expanse involved two ships and a total of 56 men split evenly between them the first endurance was under his direct mand it sailed from the remote south geia island in the southern atlantic ocean the second aurora sailed from australia to the opposite side of the continent

south the story of shackleton s 1914 1917 expedition by

June 5th, 2020 - south is shackleton s own account one of the critical sources for alfred lansing s bestseller endurance of what it was like to be helpless intruders in a strange world a vivid narrative in which tales of edwardian pluck are counterpointed with lyrical accounts of whales penguins and bizarre mirages this story of a group of men who beat nearly impossible odds to escape death and make their way home is one of the all time great survival stories
