"Dalla seconda/terza di copertina `Her present life appeared like the dream of a distempered imagination, or like one of those frightful fictions, in which the wild genius of the poets sometimes delighted. Reflections brought only regret, and anticipation terror.' Such is the state of mind in which Emily St. Aubert - the orphaned heroine of Ann Radcliffe's 1794 gothic Classic, *The Mysteries of Udolpho* - finds herself after Count Montoni, her evil guardian, imprisons her in his gloomy medieval fortress in the Appenines. Terror is the order of the day inside the walls of Udolpho, as Emily struggles against Montoni's rapacious schemes and the threat of her own psychological disintegration. A best-seller in its day and a potent influence on Walpole, Poe, and other writers of eighteenth and nineteenth-century Gothic horror, *The Mysteries of Udolpho* remains one of the most important works in the

history of European fiction. As the same time, with its dream-like plot and hallucinatory rendering of its characters' psychological states, it often seems strangely modern: 'permanently avant-garde' in Terry Castle's words, and a profound and fascinating challenge to contemporary readers. Dalla quarta di copertina 'Her present life appeared like the dream of a distempered imagination, or like one of those frightful fictions, in which the wild genius of the poets sometimes delighted. Rreflections brought only regret, and anticipation terror.' Such is the state of mind in which Emily St. Aubert - the orphaned heroine of Ann Radcliffe's 1794 gothic Classic, The Mysteries of Udolpho - finds herself after Count Montoni, her evil guardian, imprisons her in his gloomy medieval fortress in the Appenines. Terror is the order of the day inside the walls of Udolpho, as Emily struggles against Montoni's rapacious schemes and the threat of her own psychological disintegration. A best-seller in its day and a potent influence on Walpole, Poe, and other writers of eighteenth and nineteenth-century Gothic horror, The Mysteries of Udolpho remains one of the most important works in the history of European fiction. As the same time, with its dream-like plot and hallucinatory rendering of its characters' psychological states, it often seems strangely modern: 'permanently avant-garde' in Terry Castle's words, and a profound and fascinating challenge to contemporary readers. L'autore **Terry Castle** is Professor of English at Stanford University."
