Cet ouvrage traite de l'intégralité des infractions mentionnées dans les Livres II et III, ainsi que des principales infractions des Livres IV, IV bis et V du Code pénal, auxquelles ont été ajoutées les principales infractions de presse. Il s'agit donc des infractions qui sanctionnent les atteintes aux personnes, aux biens, à la Nation, l'État et la paix publique. Ce manuel correspond au contenu du cours enseigné sous l'intitulé "Droit pénal spécial" dans les facultés de droit ainsi qu'au programme des examens ou concours qui portent sur cette matière. L'auteur a intégré les dispositions des nombreuses lois récentes dont le contenu concerne le droit pénal spécial. Il en est ainsi de la loi du 9 juillet 2010 sur les violences faites aux femmes et au sein des couples, de la loi dite "LOPSSI 2" du 14 mars 2011 et de la loi dite "de simplification et d'amélioration de la qualité du droit" du 17 mai 2011. Cette édition contient en outre des solutions découlant des arrêts innombrables rendus par le Conseil constitutionnel saisi de questions prioritaires de constitutionnalité (QPC) contestant la définition de nombreuses infractions, ainsi que l'interprétation de ces textes par le juge pénal au regard des principes constitutionnels en vigueur. L'étude de chaque infraction est menée en insistant, tout particulièrement, sur les éléments constitutifs, la répression et les particularités de la poursuite qui la concernent. Le commentaire du texte législatif est abondamment illustré par de nombreux exemples concrets tirés de la jurisprudence la plus récente. Cette méthode révèle ainsi le rôle complémentaire du législateur et du juge en droit pénal spécial..
