From Sappho to Shakespeare to Cole Porter – a marvellous and wide-ranging collection of classic gay and lesbian love poetry. The poets represented

here include Walt Whitman, Hart Crane, Gertrude Stein, Federico García Lorca, Djuna Barnes, Constantine Cavafy, Elizabeth Bishop, W. H. Auden, and James Merrill. Their poems of love are among the most perceptive, the most passionate, the most witty, and the most moving we have. From Michelangelo's "Love Misinterpreted" to Noël Coward's "Mad About the Boy," from May Swenson's "Symmetrical Companion" to Muriel Rukeyser's "Looking at Each Other," these poems take on both desire and its higher power: love in all its tender or taunting variety..
