What if the leadership practices we've worked so hard to master are now getting in the way? In fact, what if they are actually holding us down and preventing us from leading for growth and innovation? Forget "what if." It's happening. In *Leadership Unchained*, Sara Canaday offers a unique perspective that helps modern leaders break free from the chains of conventional wisdom and blaze new trails toward even greater success. If you're a current or future leader, this book can become your game-changing guide to the new era of evolutionary leadership—the kind that's no longer tethered to standard operating procedures in our chaotic, digitally overwhelmed world. You'll learn when to apply classic principles. And when to boldly defy them. By applying the insights from *Leadership Unchained*, you will:

- Learn to recognize the "chains" that bind us and the reasons they may be blocking our forward progress.
- Discover break-free solutions that are turning by-the-book leaders into modern-thinkers.
- Explore strategies that help modern leaders incorporate the powerful, new rules for leadership success.
- Develop a real advantage in navigating today's ultra-complex and hyper-evolving business landscape.

Don't allow the thoughts and habits that were pivotal in your

past to become the chains that hold you down in the future. Let go of your dependence on the old rules, and break free. Leadership Unchained can show you how..
