"Reseña del editor This treasury of over fifty stories, verses and songs range from Advent through the twelve days of Christmas, ending with the flight to Egypt. The authors draw on their lifelong experience as Waldorf kindergarten educators, storytellers, puppeteers and as mothers to share these magical stories. They tell their favourite Christmas stories simply and profoundly. These stories will both delight young children, and invite parents to become more confident storytellers. Biografía del autor Janni Nicol is a mother, kindergarten educator, advisor and writer on Steiner education and creative play. Estelle Bryer taught Waldorf kindergarten and eurhythmy for over forty years. She is best known as South Africa's foremost puppeteer for children, founding the only permanent puppet theatre in South Africa in 1992 and performing to over three quarters of a million children."
