"Pressestimmen The kind of book I would have loved as a kid Brilliant series and if you haven't read them yet why not? Start at the beginning and work through them all. Laugh out loud funny and I love reading about all the things they have in their treehouse (Toppsta) Easy-to-read, visually exciting and wonderfully entertaining, the pace is fast and the fun never stops. Simply brilliant and guaranteed to get even the most reluctant readers begging for more! (Lancashire Evening Post) Packed with the sort of zany humour that children can't resist. (Parents in Touch) A perfect book for ... Roald Dahl fans (The Week Junior) Fizzing prose and fantastic, cartoon-style illustrations ensure the pace never drops for a moment throughout this laugh-out-loud story (First News) If you close your eyes and listen hard enough, you can hear the sound of children everywhere lamenting the long 12 months they have to wait until the release of the next one. (Guardian) Werbetext Lots of laughs on every level in the world's most awesome treehouse! The ninth instalment in the number one bestselling Treehouse series by Andy Griffiths and Terry Denton.
