"Críticas ""Therapeutic Storytelling"" offers a supportive and constructive guide to help parents and care givers combat the many pressures inflicted on children in today's society. It espouses the value of the imagination and the power of storytelling to heal a wide range of problems and imbalances experienced by today's young --Social Creditor Reseña del editor Working with imaginative journeys and the mystery and magic of metaphor, the author has developed the art of therapeutic storytelling for children's challenging behaviour. Biografía del autor Susan Perrow M.Ed runs therapeutic storytelling workshops from China to Africa, Europe to America and across her own sun-burnt land of Australia. This book is the fruit of these workshops. She is a storyteller, teacher trainer, parent educator and counsellor. Her acclaimed first book, Healing Stories for Challenging Behaviour, has been translated into many languages."
