"Dalla seconda/terza di copertina back! A super-simple introduction to the human body from the author and illustrator of Me on the Map. What is under your skin? Why do you have bones? What do your muscles do? Where does the food that you eat go? Me and My Amazing Body can show you! From your head to your toes and everything in between, this playful introduction to anatomy explains all the important parts of your body. Easy to read and easy to understand, Me and My Amazing Body helps children appreciate everything their amazing bodies can do. L'autore Joan Sweeney and Annette Cable's successful collaborations include Me on the Map, Me and My Place in Space, Me and My Family Tree, and Me Counting Time."
