"Synopsis A guide covering all hand tools, except wood turning and carving tools, commonly used by wood furniture makers. Describes what each tool is used for, what to look for when buying one, how to tune it up and how to use it efficiently. Organised in alphabetical order by functional group. Über den Autor und weitere Mitwirkende Korn is the director of the Center for Furniture Craftmanship in Rockport, Maine, which offers hands-on workshops in woodworking. He is the author of Working with Wood (The Taunton Press, 1993.)".
