5/5 Stars \*\*\*\*\* Very good book: Very good and concise book if you want to learn more about Rolex in a short time. (Zeer goed boek: Zeer goed en beknopt boek als je in korte tijd meer wilt weten over rolex.) (Dieter B. Oktober 17. 2017)5/5 Stars \*\*\*\*\* Well worth reading and at a fair price: »This is a very useful and clearly written primer for anyone who is interested in Rolex watches. All of the modern and many of the vintage watches are covered. The compact format is a handy feature.« (Harrell, March 4. 2017)5/5 Stars \*\*\*\*\* MUY BUENO.« (Juan Carlos Camino, March 15. 2017)This ebook provides you with a lot of purchase relevant background information on the mostimportant Rolex models. With this ebook you will be able to select the watch you want topurchase with ease. You will have a quick overview of the Rolex models and understand whythey are there and why some models are considered more important and valuable than others.The Rolex lineup of watches evolved over time. And like every naturally evolving structureit is a bit confusing at the first and often also second look. It helps a lot tounderstand when and why which model was introduced and what changes it got over time. Youalso will be able to understand the Rolex vintage movement, that values old Rolex modelsmuch higher than the modern lineup.This ebook tries to sort this out a bit. To understand what watch is meant for whataudience, what differences are there between the models, and how the whole thing didevolve since the 1950s, this book will give you some important advice.It is no question if you will find the best watch for you within the Rolex world, if youjust know the details we present to you in this ebook. And selecting the right Rolex isalways a matter of money. So be wise and learn, before you buy.This is not a Rolex sales catalogue. In contrary to such an approach we tried to cover allthe information that is emph given on official websites but nevertheless should makeit much clearer, how the Rolex models are connected to each other and what might be theright one for your wrist..
