Intrigue, romance, and scheming aboard the Titanic This updated edition of the popular Richard Peck novel, available in time to commemorate the anniversary of the Titanic's fateful voyage in 1912, starts with a chilling prophecy. When Miranda begins her position as maid-servant to the glamorous and selfish Amanda Whitwell, Amanda wastes no time in using Miranda to suit her own cruel purposes. Miranda becomes the lynchpin to a plot that Amanda devises to marry an American who can maintain her lavish lifestyle, but also keeps the rogue she loves close at hand. However, destiny intervenes, and they board the ill-fated Titanic. This story has all of the romance, glamour, intrigue, and tragedy of the Titanic but ends, satisfyingly, with redemption and forgiveness..
