"Über den Autor und weitere Mitwirkende With over 25 books and e-books written about Mercedes-Benz cars, Bernd S. Koehling has proven to be an authority on the brand. The books cover cars from the 1936 170V to the 2012 SL R231. Bernd has been involved in the Mercedes scene since the early 1970s, when he restored his first 170 Cabrio B. Since then he has not only owned many classic Mercedes including a 220S, 300d Adenauer, 200D, 250SE, 280SE coupe 3.5, 300SEL, 350SL, 280E, 450SE, SLK230. He has also gained a wealth of knowledge and experience, which he shares with his readers in his books. Mercedes has always been considered one of his favorite car manufacturers and Bernd has driven almost all Mercedes models built since the 1950s. His other weakness revolves around British cars, here especially Jaguar and Alvis."
